Date: 19 February 2015

Dear Sirs

**New Roads and Street Works Act 1991
Stopping Up Order - Withdraw Objection**

Re: *York Street Interchange, Belfast*

We refer to previous correspondence regarding the above Stopping Up Order.

Atkins Global, working on behalf of Vodafone, withdraw the objection in relation to this Order.

This is a direct instruction from the Vodafone planner who has informed us that the Order will not affect the Vodafone apparatus at this time.

We trust this is satisfactory, and should you wish to discuss your proposals further then please don't hesitate to contact us.

Yours faithfully

OSM, UK and Ireland
Acting as Agent for and on behalf of Vodafone

Please note. To enable us to process your application as quickly as possible, please ensure that you include a post code and/or an Ordnance Survey Grid Reference. Thank you for your co-operation.

PLEASE NOTE:

The information given is indicative only. No warranty is made as to its accuracy. This information must not be solely relied upon in the event of excavation or other works carried out in the vicinity of Vodafone plant. No liability of any kind whatsoever is accepted by Vodafone, its servants, or agents, for any error or omission in respect of information contained on this information. The actual position of underground services must be verified and established on site before any mechanical plant is used. Authorities and contractors will be held liable for the full cost of repairs to Vodafone's apparatus and all claims made against them by Third parties as a result of any interference or damage.

Diversions may be necessary if the existing line of the highway/railway or its levels are altered, where apparatus is affected. Where apparatus is affected and requires diversion, you must submit draft details of the proposed scheme with a written request for a 'C3 Budget Estimate' to the above address. These estimates should be provided normally within 20 working days from receipt of your written request. Please include proof of this C2 response when requesting a C3.

Date: 06 February 2015

Dear Sirs

**New Roads and Street Works Act 1991
Stopping Up Order - Qualified Objection**

Thank you for your correspondence regarding a Stopping Up Order at York Street Interchange, Belfast.

We confirm that Vodafone has apparatus in the area and advises that we have a qualified objection to the order unless you, or your applicant, provides WS Atkins with written assurances, quoting our reference above, as to the safeguarding of Vodafone apparatus and the reimbursement of costs for any works necessary. As-built records showing our apparatus are enclosed

Where Vodafone's apparatus is to remain in the stopped-up area we shall also require an undertaking that the applicant will grant a wayleave agreement to Vodafone on terms and conditions acceptable to Vodafone and the reimbursement of our (WS Atkins') costs associated with the negotiation of the said wayleave. A copy of Vodafone's standard stopping-up wayleave proforma is available on request.

A copy of the Vodafone process 4461 'Special Requirements relating to the external plant network of Vodafone' is available on request. The process provides guidance on working in the vicinity of Vodafone's apparatus.

Yours faithfully
