

# YORK STREET INTERCHANGE

## WELCOME TO THE MINISTERIAL ANNOUNCEMENT

### Introduction

Roads Service has completed its assessment of the four options developed for the proposed York Street Interchange. The assessment of the options has taken into consideration, amongst other factors, the views expressed by the public during the public consultation period held in June 2011.

The findings from the assessment of the four scheme options are reported in the summary Preferred Options Report which will be published on the Department for Regional Development website at:

### The Existing York Street Junction

### The Identified Preferred Option

The Minister for Regional Development will today announce the Preferred Option for the proposed York Street Interchange.

Following the announcement of the Preferred Option, Roads Service will put information about the Preferred Option on display for the public on the ground floor of the Cityside Retail Park until the **17th December 2012**.

If you would like further information on the scheme, or consider yourself affected by the Preferred Option, please contact the Roads Service Eastern Division Strategic Roads Improvement Team at:
